# We are Charity IT Leaders

We facilitate professional networking, share expert knowledge and support the development of the current and future generations of technology champions and leaders. We do this to help charities unlock the potential of data, digital and technology, enabling them to transform their organisations and the sector.

## Connected leaders

Connect, collaborate and share knowledge, stories and learnings with your peers

## Expert leaders

Master the latest technical, functional and strategic knowledge to succeed in the 21st century organisation

## Talented leaders

Work with subject matter experts and professional coaches to hone your leadership, people and business skills

## Any questions?

Just email our friendly team at [admin@charityitleaders.org.uk](mailto:admin@charityitleaders.org.uk) and we'll be happy to help.
